Mr. Schafer, Superintendent
St. Clair County Juvenile Temporary Detention Center
9006 Lebanon Road
Belleville, Illinois 62223

Dear Mr. Schafer,

A copy of our recent inspection report of the St. Clair County Juvenile Temporary Detention Center facility is enclosed. The Illinois Compiled Statutes requires the Illinois Department of Juvenile Justice to inspect all county juvenile detention center annually and to make the results available for public view.

The inspection that was conducted on December 07, 2017 revealed compliance with the County Detention standards. The hard work of the leadership and the line staff members is evident in every part of the facility. The work that has been completed from the past inspection is evident and noted.

Superintendent Schafer, please inform your staff members and the County Board as to the outcome of this inspection. Also, if I can be of any assistance, feel free to contact me at any time.

Sincerely,

A handwritten signature in black ink, which appears to read "P. E. Keane". The signature is written in a cursive style.

Patrick E. Keane
