**St. Clair County Department of Roads and Bridges has awarded the Frank Scott Parkway Widening Project in Fairview Heights, IL to Baxmeyer Construction Inc.**

**The contractor has a tentative start date of July 17, 2018.**

**The project will widen Frank Scott Parkway to 5 lanes beginning at Smelting Works Rd and ending just west of Old Collinsville Rd. Frank Scott Parkway will remain open to traffic but may have lane shifts and short time lane closures, while working near the existing edge of pavement. Flagmen will be present to help traffic get past equipment and workmen.**

**Depending on the weather, the project should be complete sometime in June 2019.**

**Drop offs at the edge of roadway will be present. Please exercise caution while driving in the construction zone. If at all possible, avoid the area and use an alternate route.**

**(If you need additional information, please call Wayne Sandheinrich at 233-1392 ext-15)**
